

Quickly get real-time quotes from multiple finance companies

Obtain and manage quotes and loans, quickly and easily. With the AMS Prevail Network™ you'll receive real-time, competitive quotes from multiple finance companies in seconds. Quote customer financing solutions with confidence while retaining healthy profits with easy-to-manage compensation controls. The AMS Prevail Network is simple to learn and even easier to use. This essential, web-based tool fully integrates with your AMS Services agency management system, letting you easily incorporate premium financing—and the extra revenue it can generate—into your established agency workflows. Best of all, it's *free* for agents, brokers and MGAs.

"The AMS Prevail Network is the one-stop-shop for premium financing for independent agents. It's the easy way of doing business for you and your customers."

Christie Zenner, Texas Hills Insurance Agency

Advantages of the AMS Prevail Network

More advanced than any other premium finance solution—only the AMS Prevail Network can give you:

- Streamlined workflow that gets quotes fast
- Competitive, real-time rates—finance companies' changes are instantly reflected
- Compensation control options (in the 37 states where available)
- The power to manage quotes and loans from one place
- At-a-glance views of loan status to help detect and prevent potential loss of commissions
- Exclusive integration with your AMS Services agency management solution
- Consolidated reports across all finance companies used in the network

Get what you need when you need it

A rapid response to customer requests for financing assures that not only are you providing great customer service by presenting multiple financing options, but you're also setting your agency apart from the competition. With the AMS Prevail Network, you can get this and more.

SIGN ON ONCE AND YOU'RE DONE

Imagine signing in to one interface to manage all your premium financing activity. You'll never again need to access multiple finance company websites, manage many passwords or learn different quoting systems to access competitive finance quotes for your customers.

GET THE RIGHT PREMIUM FINANCING SOLUTIONS QUICKLY

Use the AMS Prevail Network to save hours each day. Simply select the policies that need financing and in seconds you'll get quotes from multiple finance companies. The intuitive workflow takes you step-by-step through the process. And should you need to change the loan terms or change your compensation, you can do this all on one screen and your quote recalculates immediately across multiple finance companies.

EASILY MANAGE YOUR QUOTES AND LOANS

With seamless integration with your AMS Services agency management system, the AMS Prevail Network allows you to quickly check loan status, review quotes and run activity reports. The centralized reporting function shows you all finance company contract production volume and compensation in one place. You can proactively detect potential cancellations—and take measures to prevent them.

The results of your finance quote request are easily viewed on one screen.

Gain a competitive edge

The AMS Prevail Network offers a comprehensive solution to quote, manage and track all your premium financing activity. By providing full control and a more efficient finance decision-making process in your agency, the AMS Prevail Network creates an easier and more productive environment for you and your staff. You simply decide which finance companies you want to work with by flagging them as preferred or exclusive.

In addition, finance companies that are part of the AMS Prevail Network compete to quickly provide the best solutions and services for your agency. As a result, you get the real-time information you need to decide which finance companies' quotes you want to provide to each customer.
